

**Support Air** is a leading provider of temporary repair site infrastructure and support, for AOG aircraft repairs worldwide. We provide, equip and maintain the site infrastructure and provide support to the repair team and airline maintenance team, as required. We work closely with the airline, repair team and the insurance organisation to ensure that the task is completed efficiently and cost-effectively to the benefit of all concerned.

**Support Air** is the approved and contracted supplier of AOG Repair Site Support to The Boeing Company, approved supplier to Airbus Industries as well as having supported ATR, BAE, Embraer and Gulfstream aircraft manufacturer repairs.
